## Free Conditioning Treatment! Turn your bird's nest barnet into your crowning glory!

If you suffer from hair scare rather than hair flair, then this YOU! promotion in conjunction with Pastels Salon is just what you need. Pastels Salon is offering our readers a free L'Oreal conditioning treatment worth AED100 at any of their branches, located in the city's most sought-after suburbs. The salon's team of international stylists combined with its menu of cutting-edge treatments guarantees that bad hair days are a thing of the past. And in a desert climate renowned for wreaking havoc on hair, the salon's conditioning treatments promise to transform dry, damaged hair into glossy, luscious locks. Mention YOU! magazine when booking.

One of Hollywood's best kept secrets has come to town - anti aging skin care for a smooth and youthful look with no chemicals, no surgery and no injections! Can this be true? Frownies Facial Patches are applied to your fine lines and wrinkles, and by holding the muscle beneath the skin's surface they naturally relax the muscles of the face to create a wrinkle-free look. Facial patches are available for lines on your forehead, around your eyes and lips.
